Accu-Time Systems, Inc. Announces New Location for Its UK Office

Ellington, CT - August 1 , 2008 - Accu-Time Systems, Inc., a leading manufacturer of workforce management, time and attendance, and security access products, today announced that Accu-Tech Systems, Ltd., a wholly-owned subsidiary of US-based Accu-Time Systems, has moved its UK office to a new location. Accu-Tech has relocated to:

C1 Caerphilly Business Park
Caerphilly
Mid Glamorgan
United Kingdom CF83 3ED

The telephone and FAX numbers for the new location, as well as the e-mail and web site addresses, remain unchanged.

Peter DiMaria, Founder and Chief Executive Officer of Accu-Time Systems stated, “With our expansion into the European market in recent years, we have found it necessary to expand into new and larger space. The new space will allow us to final assemble the new Global Series products for quick turnaround while increasing administration and support at the same time.”

David Hembery, Managing Director of Accu-Tech Systems added, “The new space is designed to our specific requirements. It will facilitate our growth and enable us to be more responsive to the needs of our customers.” He added “This is an exciting time for ATS given that we now have a new generation of product, the Global Series, which was designed with the European market in mind and which has met with significant success.”

ATS also opened an office in the Netherlands in January, 2008 and serves customers in Latin America as well.
