***Accu-Time Systems, Inc. Announces
Appointment of Larry Dawson
As Vice President of Marketing***

Ellington, CT – December 8, 2008 - Accu-Time Systems, Inc., the leading manufacturer of workforce management, time and attendance, and security access products, today announced that Larry Dawson has joined the company as its Vice President of Marketing. Mr. Dawson brings extensive marketing experience to his new role, having recently held positions at Precision Dynamics and IDEX Health and Science.

He will oversee domestic as well as international marketing initiatives for the entire company, including EMEA and Latin America. Mr. Dawson holds a business management degree from Lesley College School of Management in Boston, MA. He will be based at Accu-Time's world headquarters in Ellington, Connecticut.

Peter DiMaria, Founder and Chief Executive Officer of Accu-Time Systems stated, "Larry brings a wealth of knowledge and expertise to his new role and, with our continuing global expansion, we are pleased to have him on board to help support and develop our marketing initiatives." Mr. DiMaria added, "With the addition of Larry to our team, we will be streamlining and improving our product line as ATS continues to be a leading supplier of Human Capital Management equipment. We look forward to his leadership in sales and marketing."

Mr. Dawson stated, "I am delighted to be joining the ATS team and to be a part of such a dynamic organization. With so many exciting technological developments in the industry, as well as new markets opening up here and particularly in Europe, the Middle East and Latin America, I look forward to the challenges that lie ahead."
