***Accu-Time Systems, Inc. Hires Joseph Benvissuto
As Customer Support Manager***

Ellington, CT – November 1, 2007 - Accu-Time Systems, Inc., the leading manufacturer of workforce management, time and attendance, and security access products, today announced that Joseph Benvissuto has joined the company as its new Customer Support Manager, including its in-house and field service operations. Mr. Benvissuto brings considerable experience to his new role, having recently held positions at EMC Corporation as a Customer Support Manager, and at Retail Control Solutions as Network Administrator and Product Manager. He is a Microsoft Certified Systems Engineer (MCSE) and holds a bachelors degree in business from Becker College in Worcester, MA.

Peter DiMaria, Founder and Chief Executive Officer of Accu-Time Systems stated, “Joe brings a wealth of knowledge and expertise to his new role and, with our continuing global expansion, we are pleased to have him on board to help support and develop our service product offerings.” Mr. DiMaria added, “ATS offers several programs for product service, many of which are in turn offered by our reselling partners. With the addition of Joe to our team, we will be streamlining and improving products as ATS continues to be a leading supplier of Human Capital Management equipment.” Mr. Benvissuto will be based at Accu-Time’s world headquarters in Ellington, Connecticut. In addition to the Service Depot in Connecticut, he will be responsible for the field service centers in Florida and in the United Kingdom.
